

WELCOME TO CANYON RIDGE

Thank you for your interest in Canyon Ridge. With the unspoiled beauty of lush highland pastures, sweeping meadows, and dramatic river cut canyons, we think you will agree that Canyon Ridge is the perfect place to call home.

Included with this Declaration Packet is information on the development. Within the 5,700 acres of this gated community, there are 81 Ranch Estate parcels and 12 Ridge Casita lots at the Lodge site. As you consider which parcel or lot is best for you, keep in mind that once you are a land owner at Canyon Ridge, you have the option to use your property in trade for a different parcel as more of the development is opened.

We hope you enjoy your tour of this incredible property, and all of the amenities it has to offer to your family. If you have any questions of your future neighbors, please feel free to contact either Steve or me, the two people who have created this unique legacy property which will be enjoyed for generations.
